State University of New York Press. Paperback. Book Condition: New. Paperback. 236 pages. Dimensions: 8.9in. x 5.8in. x 0.5in. This is an introduction to the perennialist school of comparative religious philosophy and a guidebook for the general reader seeking intellectually serious but accessible answers to questions about the spiritual life. A magnificent introduction to the greatest religious thinker of our century. -- Huston Smith, author of *The World's Religions* To have been brought up and educated in the modern world is to be, in some degree or other, inwardly divided against oneself; this book will be gratefully remembered, by the best of its readers, as a golden key which opens wide the door of escape from inner tensions and mental confusion. -- Martin Lings, formerly Keeper of Oriental Manuscripts in the British Museum Two books in one, *Advice to the Serious Seeker* is an introduction for scholars to the perennialist school of comparative religious philosophy and at the same time a guidebook for the general reader who is looking for intellectually serious but accessible answers to questions about the spiritual life.
