

## Anima: An Anatomy of a Personified Notion

Filesize: 2.33 MB

### ***Reviews***

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

Spring Publications,U.S., United States, 1998. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. With 439 excerpts from the writings of C.G. Jung. This excursion is intended to supplement the main literature on the anima. Since that literature provides a goodly phenomenology of the experience of anima, I shall look here more closely at the rather neglected phenomenology of the notion of anima. Experience and notion affect each other reciprocally. Not only do we derive our notions out of our experiences in accordance with the fantasy of empiricism, but also our notions condition the nature of our experiences. (James Hillman).
