Brand New Book ***** Print on Demand *****.Excerpt from The Canadian Northwest as It Is Today Where some have gone, others are sure to follow. To those I offer this book. If you would profit by the experience of those that have gone ahead. It is not my intention to boom this country, or to speak harmful of it. I stand entirely alone, because I tell of the conditions there; as they have never been told before. You will find it intensely interesting. I went to Canada to see it, and I saw it. Take this book along, and consult it as you go. It will save you from one hundred to one thousand dollars. It will tell you when to go, how to go, where to go, and what you will find when you get there. To the tourists who would seek the most improved portions, and the grandest scenery. To the sportsman who likes outdoor life and the shooting of big game. To the farmer who would seek a free home in a new country. To the stock raiser who would like to find a row west. There is room here for all. Now to the poor man who cant afford...
