James T. Miller, United States, 2007. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Ok. So you're up to your eyeballs in debt. Well, maybe it's not that bad, but it feels like it. You know you're in deep. Good--knowing the problem is the first step to the solution. This book gives you the plan of action to get out of debt. It's short, so you'll actually read it. It's inexpensive, so you won't go even deeper trying to find a way out. And CrasH has already done all the hard math for you--just plug in the numbers. It will take some work and some time, but if you stick to the plan, you can be debt free. A lot of people got into debt because they didn't have a plan. Not having one now isn't going to get you out. But, with a good plan (which this book provides), good tools (which CrasH provides through a downloadable file), and determination (which you provide), you will finally see the light at the end of the tunnel and be on your way to freedom.
