Brand New Book ***** Print on Demand *****.Excerpt from Christian Missions and Social Progress, Vol. 2 of 3: A Sociological Study of Foreign Missions The attempt to collate the manifold results of modern missions, and to present in an orderly and comprehensive survey their bearings upon social progress, is a task which has not been free from difficulties; nor has it been even thus imperfectly accomplished, without patient and exacting labor. The original plan of issuing this work in two volumes, made before the magnitude of the undertaking was realized, has now been changed, and it will appear in three volumes of corresponding size, the last of which will contain the four remaining divisions, or groups, of Lecture VI., and also extended statistical summaries giving a detailed survey of missionary operations throughout the world. The student will observe that the full force of the demonstration presented in this treatise does not depend alone upon the measure of social transformation which has been actually accomplished by missions up to the present time, although there is nothing to fear even now from that test, however searching....
