By United States Government Us Army

Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Army Techniques Publication (ATP) 4-12 augments the sustainment doctrine established in Army Doctrine Publication (ADP) 4-0, Sustainment. It constitutes the Army's view of how the Army manages containers on land and sets the foundation for developing additional tactics, techniques, and procedures. It also forms the basis for Army training and education system curricula. The principal audience for ATP 4-12 is all members of the profession of arms. Commanders and staffs of Army headquarters serving as joint task force or multinational headquarters should also refer to applicable joint or multinational doctrine concerning the range of military operations and joint or multinational forces. Trainers and educators throughout the Army will also use this manual. ATP 4-12 applies to the Active Army, Army National Guard/Army National Guard of the United States, and United States Army Reserve unless otherwise stated. Army Techniques Publication (ATP) 4-12, Container Operations, is the Army's doctrine for container management during operations. The doctrine discussed in this manual is nested with ADRP 4-0, Sustainment, and describes the techniques for conducting container management. Container management supports operations...
