*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

## BROKEN ON THE WHEEL OF SEX - HARD COVER

This edition of Jack Ketchum's Broken On The Wheel of Sex: The Jerzy Livingston Years is the most complete edition of the Stroup stories ever collected together. New introduction by Jack Ketchum: The Goblin On The Dance Floor. These stories, written from 1976 to 1981, and appearing in various mens magazines and other outlets, offer Ketchum readers a look into this authors formulative years. This is where Jack Ketchum honed his writing craft that has become so well known with his novels The Girl Next Door, The Crossing, Off Season and The Lost. Collected here is his character simply known as the Stroup stories written under the pseudonym Jerzy Livingston, which are rare and difficult to locate almost thirty years after the original publications gave them life. Ive called these the Jerzy Livingston years because over half of them were written under that name and the rest under my real one. Somehow Jerzy seems more appropriate for this collection. My adoption of that particular pseudonym was both a joke - a play on words -and a nod to a very good writer, which I hoped some day to be. - Jack Ketchum, from the authors introduction. Also includes Afterwords for each story by the author. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
