Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Moral and Religious Essays, Poems, Anecdotes, Vol. 2: Extracts From My Diary Many of the Poems in the first and second sections of this volume, entitled Hours of Solitude and Hours of Devotion, which I herein present for public perusal, were written some years ago, under the influence of acute bodily or mental anguish, and may, therefore, appear to partake too much of self; but as they clearly delineate facts, unaided by fiction, and present to the reader a new phase in the book of human nature, portraying the workings of a heart desirous of enduring with resignation a series of misfortunes not often encountered, even in this chequered scene, and may teach the young and thoughtless how much comfort the mind may derive from reflection, I scruple the less to present them to the public, assured that in some instances they may do good.
